

Option 1

Follow the instructions on the "Sentence Fragments" activity page.

Option 2

For this option, you will create your own sentence fragment exercise to quiz others. Your quiz should have at least six questions, and the quiz taker should decide whether each sentence is a fragment or not. You can create your quiz on a sheet of paper or on the computer, or you can try using a free online quiz maker like Sporcle, Quizlet, or Typeform. (Note that these sites require you to create an account before using; ask for a parent's permission and assistance before proceeding.)
