

The Bromeliad

Materials

- scissors
- toilet tissue roll
- green, pink, and blue construction paper
- colored pencils or crayons
- small plastic frog / lizard or clay
- tape

Directions:

1. Cut out the petal/leaf pattern from this page.
2. Trace and cut out the pattern three times on green construction paper and two times on pink construction paper.
3. Curl the tips of the leaves and petals around a pencil or your finger.
4. Tape the pink petals around the toilet tissue roll beginning at the top.
5. Then tape the green leaves to the roll.
6. Trace the bottom of the toilet tissue roll on a piece of blue construction paper, and then cut out the circle.
7. Tape the circle to the bottom of the toilet tissue roll to represent water.
8. Draw bugs on the green leaves.
9. Put a small plastic frog or lizard inside your bromeliad. If you don't have one, make one out of clay.
